lingerie

Essentials

Essentials

From the Essential line you will find seven of the most popular and comfortable BonBon Lingerie collections.

We also have spiced things up with two Flirt-collections. While mixing and matching the different items, the routine everyday life should disappear!

All the collections have been updated, improved and refined to make the items even more comfortable and durable. In the Essential line you will find items in four main colors: white, ivory, nude and black.

Penelope

...glamour black

The Penelope collection is very comfortable and is ideal for everyday wear. The items are smooth and flexible for a better fit. The heart patterned fabric and see-through mesh spice things up and add confidence.

Penelope Flirts is our all-time sexiest and most popular lingerie set - it does not leave anyone indifferent!

Lilian

...invisible basic

The Lilian collection is modern and invisible - all for your comfort and aesthetics!

We have only used elastic and thin high-tech materials; the items have free cut edges and minimal amount of stitching so they fit perfectly under light and dark garments and leave no lines.

The balconett bra has a silicone back that allows you to wear open back dresses.

The panties fit perfectly even under the most demanding and tight skirt or can be used as comfy workout panties.

Diana

...primary accessories

From the Diana collection you will find all accessories needed for lingerie care and wearing the lingerie even more comfortably. The collection also includes two different style robes. The items are available in different colors.

*You are a glorious gift.
And BonBon Lingerie is the glamorous wrapper,
protecting you from ravenous gaze until the very last moment.
Each string must be united, each ribbon carefully undone.
We all know the rules - such bounty should be unwrapped delicately.*
