

## L.A. GIRL

*New collection*

The L.A. Girl collection is all about the 70's. Visualise L.A. Barbie or Sir David Bowie's groupies. A contrasty girl who enjoys the foxy ways of living. The Collection is built on an L.A. beach scene with vibrant night life and "groupie" habits, which takes our girl back to the 1970's. The colors and details reflect on the nostalgic "easy" image of a Californian girls' lifestyle.

## BONBON LINGERIE

BonBon Lingerie is an Estonian based designer brand, established in 2004. We can proudly say that from the beginning all of the brand's lingerie pieces are hand-made in Tallinn.

We here in BonBon Lingerie believe that besides being comfortable, women should own the tool that makes them feel beautiful and attractive in every moment. Our uniqueness stands in our garments' design's finishing touch, which has the ability to transform an already gorgeous woman into a unique femme fatale.

Our brand strongly stands for highest quality and design, luxurious detail, provocative elegance, a dash of mystery and last but not least female confidence. These are the characteristics which we have relied on throughout the brand's history.

That is why we are extremely attentive to design, quality and fit. BonBon Lingerie's collections are made from the finest hand-picked materials, styled using best techniques that reflect in our perfect cut and finishing details.

Our materials origin only from trusted European suppliers, to ensure the quality could never disappoint our customers. BonBon Lingerie can be reached through several channels: online-store, three standalone boutiques, retailers in several destinations around Europe.

The brand releases two seasonal collections a year. Both S/S and A/W collections represent elements of the brand's essence adding a seasonal touch depending on the "climate". Our Essentials collection is available throughout the year, consisting of our timeless pieces, that every modern woman should own.

**The collection contains the following luxurious garments:**
